

Health & Safety Policy

Triton regards the management of health & safety as an integral part of its business and a management priority.

Triton Showers is committed to protecting the health & safety of our employees and the individuals engaged in activities at our facilities, Triton will:

- Ensure that all management lead by example, putting health & safety first and giving a positive example to others
- Comply with applicable occupational health & safety legislations, regulations and other requirements related to the maintenance of a safe workplace
- Provide safe and healthy working conditions for the prevention of work-related injury and ill health
- Identify and provide training needs to increase awareness and competence of all employees
- Commit to elimination of hazards and reduction of occupational health & safety risks
- Consult with employees on issues relating to occupational health & safety and encourage their participation; and
- Commit to continual improvement of the occupational health & safety management system through monitoring and measuring performance, and in doing so provide a framework for the setting of OH&S objectives and targets

The policy has been communicated within the organisation, and to persons doing work under Triton's control as applicable. The policy will also be made available to external interested parties upon request.

Dave Tutton
